TEXO

Consultancy & Investment TEXO Joint Stock Company (TEXO) is a construction consultancy company. Founded in January 2008, TEXO has been ranked as the first-class by Ministry of Construction in fields of: Project Management, Construction Supervision, Design, Verification, Quality Inspection, etc. by Ministry of Construction. TEXO has been gradually affirming a reliable professional trademark in the construction market of Vietnam.

With the team of experienced and active engineers in fields of construction consultancy, together with the quality management system for consultant productions which have been recognized by TQCSI Organization (Australia) as per ISO 9001:2015, TEXO has been recognized as a reputed company and selected by both local and international investors to implement various large-scale and important projects with high requirements of technicality and art nationwide.

With the guideline of “Reputation-Quality-Sustainable Development”, TEXO ensures to provide the highest quality services to the investors and clients, lays the foundation for the SUSTAINABLE DEVELOPMENT of TEXO as well as contributes the benefit to society and community.

HISTORY OF DEVELOPMENT

2008 TO 2012

Founded in January 2008, former M/S Consultancy and Investment CONINCO Joint Stock Company, working under the franchise system with the highlight of Supervision and Project Management Consultancy.

In the process of establishing and developing, the company continued to work in consultant fields: Verification, Inspection, Certificate for Quality of Construction, Consultant for Bid and Bidding Evaluation, etc.

2012 TO NOW

In October 2012, in order to implement the development policy in the new time, the company decided to change the name M/S Consultancy and Investment TEXO Jsc, established Party, Youth Union and Trade Union directly under Ministry of Construction Agency as well as joined Vietnam Engineering Consultant Association (VECAS), remained good co-operation with both local and international partners.

Up to now, TEXO has been gradually extending its activities and developing the administrative system of the company, establishing Consultant Centers so as to actively perform the business as well as facilitate the employee development and expand the market in Southern Vietnam.

VISION
MISSION
CORE VALUES

VISION: By the enthusiasm and sustainable development, TEXO strives for becoming a leading company of Vietnam in fields of Project Management & Supervision Consultancy. Besides, TEXO has been extending and developing services in construction consultancy: Design, Verification, Inspection for Quality of Construction, etc. With the guideline of “Reputation-Quality-Sustainable Development”, TEXO meets customer satisfaction with the best quality consultant services, contributing to the improvement of lives in Vietnam.

MISSION: Provide the high-quality products for a better life of society and community.

CORE VALUES: “Virtue - Intelligence - Trust”

***Virtue:** TEXO works strictly in compliance with the Law and follows the professional ethics as the highest standard for rating the success and development of the company. TEXO’s engineers assure to conform to the codes of the consulting engineer’s professional ethics in accordance with Federal International des Ingenieurs Conseils (FIDIC).*

***Intelligence:** Human Resources of TEXO have capacities and high-qualified education from the high-ranking universities. TEXO staffs always apply the advanced technology to enhance the quality of the products.*

Determining that human intelligence is “a valuable asset”, tremendously contributing to the success of the company, TEXO has been improving the engineer quality by the internal training programs and the knowledge - enhancement courses of the charismatic organizations.

***Trust:** The trust from the clients plays a vital part in the company’s sustainable development. TEXO established a professional quality management system to create the safe and high quality products to meet the customer satisfaction.*

State Agency for Construction Quality Inspection appreciates your contribution on construction quality management work over the years. With the team of experienced and capable engineers, your company has been participating in various large-scale projects and affirming your position as one of the reputed consultant firms in fields of Project Management, Supervision and Inspection.

*Chief of State Agency
for Construction Quality Inspection
